## MARTY ROUSE

Commander

Commander Marty Rouse is a 29-year member of the Sheriff's Department. He has served at the command level for over nine years, in the Courts and in both the West and East County Patrol Bureaus. Previously, he served as Moorpark's Chief of Police and the academy commander of the

Regional Training Center. His current assignment is managing the Professional Standards Bureau. He is responsible for oversight of recruit and in-service training and internal investigations.

Marty received both his Masters Degree in Public Administration and his Bachelors Degree in Administration of Justice from California Lutheran University in Thousand Oaks. He is active in the "Cal-Lu" Community Leaders Association, along with coaching youth track and field.

It is not unusual for Marty to find himself as the Incident Commander for special events and natural disasters that occur within the Sheriff's jurisdiction. Marty served as the Incident Commander for the unified command during "Operation Serenade-A Farewell to President Reagan" and the 2003 and 2005 Southland Fires, along with most recent Topanga and Day Fires.
