

## Reward Press Conference

Dennis L Wood

1/6/05

On behalf of my family, the community of Moorpark, CA, and the Ventura County Sheriff's Department we are asking for your help in capturing the murderer, or murderers, of my father, Dennis Leroy Wood. While you may not have experienced the excruciating pain and devastation of our tragic loss, this crime affects the future safety of citizens in communities everywhere.

### **Purpose**

The purpose of this conference today is to ask for your help in capturing the murderer of my father, Dennis Leroy Wood. My Dad was a widower, a father, a grandfather, an uncle, a brother to four, a kind, hard working citizen, and a devout Christian. He was murdered in his home in Moorpark, California, around the time of the Easter holiday in 2004. He was 72 years old. We don't know what the motivation could have possibly been in this ruthless act.

There is an extraordinary team of detectives working on this case, all of whom are working diligently to solve this cold and cowardly murder and bring this person to justice, but we need your help. A reward fund of \$35,000 dollars has been established and is being offered for the information leading to the arrest and conviction of the murderer of Dennis L. Wood. Someone out there knows this person and has the information we need to help solve this crime. And we pray that someone out there will come forward with information to help us. The first person to gives us the information we need to arrest and convict this murderer, or murderers, will receive this reward money. We urge and beg you to help us if you can. Don't waste your opportunity.

### **Closing Statement**

If you have information regarding this case you are urged to contact (805) 654-2311. On behalf of my father, I thank you.
